

# A PETITION TO SUPPORT RATIFICATION OF THE LOS COYOTES AND BIG LAGOON COMPACTS

We the undersigned residents of the Barstow area, strongly urge the State Legislature to swiftly ratify, without any changes or amendment, the Tribal Compacts of the Los Coyotes Band and the Big Lagoon Rancheria that are pending before the State Legislature.

Barstow stands to gain economic development, thousands of jobs and millions of dollars in revenue it desperately needs. The Tribes will be able to be self-sufficient and improve living conditions and standards for their tribal members. The State of California will receive millions of dollars for badly needed programs.

Just as importantly, ratification of these Compacts will ensure long-term protection for an ecologically important coastal area of California.

We, as residents of the greater Barstow community, solidly support the Los Coyotes and Big Lagoon in their efforts to develop a world-class casino resort in Barstow. We ask you to do the same.
